All you need to do to take advantage of this service, is to become a Wholesale Buyer at Wikaniko. You will be given a unique ID number, and you will be in business in less than 48 hours!

Wikaniko (pronounced We Can Eco) is an eco friendly company supplying toiletries via a team of distributors. (This is a self employed opportunity, requiring an investment on the part of that distributor)

However and following numerous requests, we have set up a FREE position called Wholesale Buyer. This position entitles you to purchase products at wholesale prices, and to have your own name on the products that you purchase. (You may also take advantage of our in house logo design too, if you wish.)

### **How it works:**

The process is extremely simple. You fill out the attached application form and send it to Wikaniko's Head Office by post, fax or email.

Should your application be accepted, (we reserve the right to refuse applications without reason) we then work with you to create your label template with your name, your choice of font and colour, and so on.

You can then order products from the special wholesale range.

Whenever you order products, we post the labels for those products to you separately, for you to apply when the products arrive.

You sell the products and make money.....

It is entirely FREE to apply to become a Wholesale Buyer at Wikaniko. However, should you wish to take up the service, there is a one off cost of just £39 for setting up your name in your choice of font on the labels for all the toiletries. This cost is for a limited period (normally £59). We stress that this is a 'once only' set up cost. All relevant labels, unbelievable as it may seem, are thereafter sent FREE of charge when you order products.

### **How to get started:**

Simply fill out the attached application form, and either email, fax or post it back to us (you must state who introduced you).

We will then send you the welcome pack via email, and will work with you to get your label designed.

This process - from start to finish, including ordering and receiving your products, can be accomplished in 10 days or less.

- The documents that form the entire agreement between the parties are this application form/agreement, the Rules and Code of Conduct and the compensation plan.
- Wikaniko may terminate this agreement upon you committing any breach of it or upon you entering bankruptcy proceedings.
